Download (269.39 MB) Why Watch? A talented bunch of young actors and actresses fill the show. The lead role is played by Salman Khan and has to impress Madhuri, so he plays it up, and she loves him for it. Once he fails to impress Madhuri in the initial stages, he turns to a pretty girl who lives next door. As for the other girls, each one gets the chance to play a hot and sexy sari. The story and screenplay are actually very original and well-written. The ending is a bit predictable, but it's the stuff that makes this movie great. The climax is the best one in the film. It's a wonderful movie, even if it has a silly song in the end. But all of a sudden, violins are not a part of music today. The latest and most popular trend that has now started is Bhangra (An Indian traditional dance with a whole new meaning to it). Bhangra dance is a modern-day phenomenon that is introduced to the world of dance by Jaspreet Grewal. His dancing was a sensation, and it quickly captured the attention of the fans who were craving to dance like him. Bhangra dance is more than just a trend, it is one of the most exciting dance styles. Be it a wedding or a party, bhangra music, along with the dance gives a whole new meaning to the party. Bhangra music Bhangra music is a lot of fun to listen to, and is of course more fun to dance to. It gives off the vibes of Indian culture. The world of bhangra is quite different from that of western dance. It is a more energetic and lively dance, which gives off a sense of freedom. The beats of the songs are catchy, and are hard to ignore. The beats move from one side to the other, and vary from upbeat to slow. The song is catchy as the music moves along with the music and the dancing. Bhangra is not just for weddings. It is often used for parties, concerts and other functions as well. Bhangra dance is also used for various competitions like the ones held by reality shows. Mukesh 82157476af
